

HAVERHILL HOME OWNERS' ASSOCIATION ANNUAL MEETING
October 14, 2015

Welcome

1. Mayoral Candidates
 - Gwen Markham
 - Bob Gatt

2. Progress in Haverhill
 - Mailboxes in need of repair have all been repaired
 - Street signs damaged from street construction have all been repaired
 - Sprinklers - most have been repaired. A lot of repairs were done on the sprinklers in front of subdivision. We have a couple more issues we are working on.
 - Tot Lot – Dead trees have been removed, power washed, sanded and restrained. Swings need some repair. Will be put back in the Spring.
 - Home values are increasing. Evidenced on property tax statements.

3. New Development Update
4. Walkable Communities – Sidewalk Update
 - On their agenda dated for October 15, 2015, work on our sidewalks connecting us to The Maples has been funded and approved. Construction will begin early next year.
5. Halloween Party
6. Treasurer's Report
7. Reminders
 - Each homeowner is responsible for shoveling their driveways and sidewalks. Kids walk to the bus and need access so they are not in the streets.
 - Light Up the Streets – now that is getting darker out earlier, the streets are really dark. Please turn on your porch and garage lights to deter any mischief.
 - Check out our website www.haverhillnovi.com and www.cityofnovi.org for valuable information. And our page on Facebook.
 - Each homeowner should have a copy of our Bylaws. If you cannot find yours please review them on our website.
 - Trees are not permitted to be cut down without the consent of the Board. Email your concerns to board@haverhillnovi.com.
 - If you see anything suspicious in the neighborhood please contact the Novi Police. They are good at coming out and checking things out.

8. Comments/Concerns
